Features & Benefits

Whichever way you look at Buckz Viz you see safety boot styles clearly laden with safety, performance, weight saving and comfort features all at great value price points and with a visual impact rarely if ever seen in safety footwear before.

Combining EN safety hi-viz fluorescent waterproof Cordura® and cowhide leather upper with reflective piping ensures maximum visibility in any lighting conditions, whether it's daylight, low light or no light.

The no.8 heavy-duty YKK side zipper and lace combination means you can put the boots on and take them off easily and conveniently.

All Buckz Viz styles feature abrasion resistant microfibre at key wear points so the inside of the boots are just as tough as the outside.

Maximum rated slip resistant rubber soles gives you stability and assurance in a variety of working conditions and the tough PU scuff cap provides high abrasion resistance where it usually happens most.

- Cowhide leather and Hi-Viz Cordura® uppers
- Waterproof
- Composite toecap
- Non-metallic midsole
- YKK No.8 heavy duty zipper
- Antistatic
- Anti-scuff toe protector
- Non-marking rubber outsole with heat & oil resistance and maximum test anti-slip resistance
- Comfort insoles
- Microfibre abrasion resistant insert at heel lining
- High visibility safety orange Cordura®
- Reflective piping
